

Root 7

ONE BOTTLE SOLD  
ONE TREE PLANTED

We love trees and deeply appreciate the vital role they play in supporting all life on our planet. Therefore not only is our packaging plastic free, but we also plant a tree for every bottle purchased. We do this through Eden Reforestation Projects, who employ local villagers to plant trees in areas deforestation.

1 BOTTLE = 1 TREE

PLANT 100,000 in 2020

PLANT 1,000,000 by 2025

# About

## HOT 20 HOURS

---

We designed the insulated water bottle to keep your beverage toasty for up to 20 hours.

## LIFETIME GUARANTEE

---

We are so confident in the quality of our OneBottle that each one comes with a Lifetime Guarantee.

## BPA FREE & LEAK PROOF

---

Engineered to not leak. The bottle is BPA Free made from high quality stainless steel.

## COLD 30 HOURS

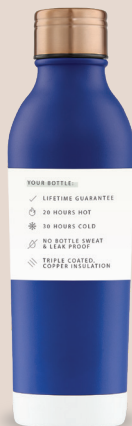

---

The bottle has a unique copper coated inner layer which ensures that the liquid stays cool.

## 29 STYLES

---

We are constantly developing new colours and patterns to stand out from the crowd with more added every season.
